

## ENJOY AI 2021 Greece Open

### Invitation Letter

Global Youth Artificial Intelligence Popularization Activity(ENJOY AI), organized by the non-profit organization Federation of Global Youth Artificial Intelligence since 2018, the first worldwide AI popularization activity designed for teenagers.

Teenagers are the future of the world, and how can they adapt to the development of AI? How can they use AI technology to study and live? How can they solve practical problems by using AI technology? The mission of ENJOY AI is enable global youth to adapt to and obtain the world-changing AI literacy. It aims to become the world's most popular youth AI activity, most authoritative youth AI activity and global sci-tech carnival for youth. So far more than 600 activities are already conducted worldwide.
